

**Welcome on behalf of the Governors of Holy Trinity School to our website.**

Whether you are a parent of a Holy Trinity student already or you are seeking the right school for your child to attend the governors hope you find the information on this website useful.

Like all schools Holy Trinity School has a Governing Body to challenge and support the management of the school. We are parents, staff of the school, people who represent the Local Authority (Lewisham Council) and, because we are a church school, some of us represent Holy Trinity church and the Diocese of Southwark. We are ordinary people, like you, who give some of their spare time to the job which the whole school community is there for, to educate children to achieve the most they can and be the best people they can be.

As a Church of England school we have a Christian ethos which underlies all we do, it cannot be "unpicked" from the fabric of our school life. We welcome families who appreciate and support that ethos whether or not they see themselves as practicing Christians.

Having explored the web site do contact the school if you have unanswered questions. There are regular days when parents/carers can visit to get a feel for the school and the governors hope that you will be pleased with what the school has to offer.
