

HOLY TRINITY CE PRIMARY SPORTS PREMIUM FUNDING

Holy Trinity Mission Statement

We strive to be the best we can be in an inclusive, safe and supportive learning community; to nurture and equip pupils with positive attitudes so that they become effective members of a multi-cultural community who demonstrate the values of hope, faith and love and develop self-discipline and confidence in a Christian family environment.

"Pray together, learn together, play together"

The Government is providing funding of £150 million per annum for academic years 2013/14 and 2014/15 to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Head teachers to spend on improving the quality of sport and PE for all their children.

The sport funding can only be spent on sport and PE provision in schools. OFSTED will play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary Phase. All schools will receive a lump sum of £8,000 plus a premium of £5 per pupil for the next two academic years.

At Holy Trinity this will be calculated at £8000 + £950 (£5 x 190 pupils which equals to **£8950** for 2014/2015.

Purpose of Funding

Schools will have to spend the funding on improving their provision of PE and school sport, but they will have the freedom to choose how they do this.

At Holy Trinity we believe that ALL children who attend our school should receive a well-balanced curriculum which stimulates and promotes their academic, sporting, creative, artistic and social development.

What is Holy Trinity already doing to ensure effective PE and Sport in school?

1. All children in year 3 receive up to 36 sessions of swimming lessons at our local swimming pool. This year (with the PE and Sports funding) we have extended the swimming sessions to our year 5 classes as well.
2. Our school already offers a range of after school clubs, accessed by children from Key Stages one and two (please see After School club timetable on the website). These places are offered for £1 per week. These clubs include football.
3. Some of our classes enter sports competitions with other schools in the collaborative.
4. We hold an annual Sports week for the whole school.

So how will Holy Trinity be using the additional sports funding in 2014 / 2015?

| Activity / Action | Amount spent | How many children will benefit | Benefits for the school |
|---|-----------------------|---------------------------------------|--|
| We have hired the services of Fit for sport, a PE coaching company, to teach all outdoor PE sessions, to provide CPD within the school and to team teach on a rolling programme with teachers to upskill staff. | £24,320 per annum | All pupils from Reception to Year 6 | All children have professional training for PE. |
| Fit for Sport will be teaching our youngest children in additional sessions to develop their gross motor skills. | Included in the above | Reception and Year 1 | Develop gross motor skills, spatial awareness, fine motor skills- children will find it easier to write. |
| All our Y6 and Y4 pupils have an hour's dance session each week run by a professional dancer. | £1425 per annum | Year 6 | Develop pupils' ambition, technique, resilience and skill. |
| We have increased the amount of swimming pupils are given access to. | £5500 | Key Stage 2 pupils- Year 3 and Y5 | Pupils are given the opportunity to develop their swimming skills for 2 years in Key Stage 2. |
