

# Welcome to Britto Class!

This year we will be focusing on Romero Britto. He is a Brazilian pop artist that likes to use vibrant colours in his artwork.

This year we will be studying topics including Rivers and Oceans, America and the Caribbean.

Our Autumn Term focus books will include *This Morning I Met a Whale* by Michael Morpurgo, *A Walk in New York* by Salvatore Rubbino and *The Jolly Christmas Postman* by Janet and Allan Ahlberg.

There are some activities attached for you to complete over the Summer.

I look forward to seeing you in September. Have a wonderful break.
