

Welcome to Carle Class!

Miss McCallum
Class Teacher

Hello!

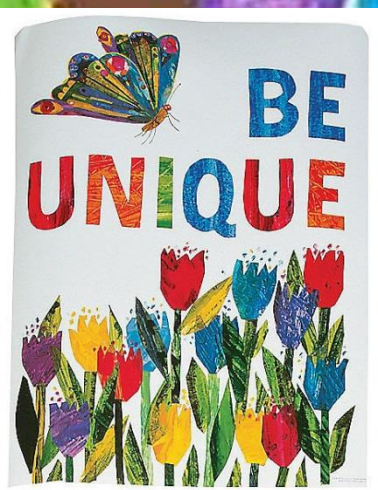

Welcome to your new class!

In Carle Class this year, we will be focusing our Literacy topics around Eric Carle's books. For example in the first half term as we are settling in we look at *The Hungry Caterpillar* as this focuses on changes and has lots of opportunities for maths focuses, such as: days of the week and counting. We also incorporate the *Brown Bear* story as this has a colour focus and is repetitive which supports early story retelling.

The *Tiny Seed* book is used in the Spring Term when we plant our own seeds and this also links to seasonal change. In addition, we use *The Bad Tempered Ladybird* during our Mini Beast topic to support discussions about managing feelings tying to the core EYFS framework. We incorporate other books throughout the year to cover non-fiction elements too.

I look forward to meeting you soon, and starting our learning adventure!

Miss McCallum

Can you colour in this butterfly?
